

Need a healthcare provider after hours?

The Little Clinic is now partnering with your CareHere Health Center.

CareHere and The Little Clinic have partnered with your employer to provide after-hours services for patients who are eligible to receive care at the CareHere Health Center.

If your CareHere Health Center is closed, you can now access The Little Clinic near you at NO COST to you. Check out the steps below to access The Little Clinic the next time you're sick and your CareHere Health Center is not open.

No copays or deductibles for office visits

Copays and deductibles will apply for medications and/or labwork.

Receive care in off-hours when you need treatment

You can now access the Little Clinic during CareHere off-hours.

Give CareHere a call

Call to receive your unique access code before visiting The Little Clinic.

Medical records will securely be sent back to CareHere

The Little Clinic and CareHere will work confidentially and seamlessly to manage your care.

How do I access the Little Clinic through CareHere?

- 1 Call the CareHere Support Center at 877.423.1330.
- 2 If your Health Center is closed, ask the CareHere Support Center Advocate for a referral number to visit The Little Clinic nearest you.
- 3 Present your referral number to The Little Clinic upon arrival. They will take care of the rest.

Call the CareHere Support Center at 877.423.1330 for access to The Little Clinic.
